THE CHANGE IMPERATIVE

November 1–6 • Philadelphia

2013 Association of American Medical Colleges Annual Meeting – Going Global Sessions*

Friday, Nov. 1

GHLO Update- This is an opportunity to meet staff, learn about how the GHLO Collaborative is growing and to explore how your institution might become engaged.

Spotlight on Global Student Engagement - This session will provide student and administrative perspectives on enrolment and visiting rotations by US and non-US medical students.

Speakers:

- **Shanaz Khan Sulejmanovic, MA**– International Education Specialist (Session host)
- **Ara Tekian**, Director, Global Health, Univ. of IL-Chicago (Session Chair)
- **Tigue Toze** –Student, University of Queensland, Australia
- **Jan Koblre** – Student, Carol Davila University, Romania

The GHLO Collaborative - The GHLO Collaborative is an innovative global network of leading caliber institutions around the world that value cultural contexts in medical education. The Collaborative will facilitate educational mobility of health professionals and promote standardization of quality with special consideration to institutional autonomy.

Speakers:

- **Jenny Samaan, PhD** – Director, GHLO, AAMC (Session Chair)
- **Carol Donovan White** – Sr. Director, Education Abroad Services, NAFSA: Association of International Educators
- **Christy Okoromah** – Pediatrician/Director, University of Lagos College of Medicine, Nigeria

Technology Innovations in Global Med Education - This session will focus on innovative partnerships and programs that have the capacity to transform the learning experience for students and residents through to practicing physicians. Illustrations will be given of how global communities are benefitting from, and contributing to innovative education and research around the world.

Speakers:

- **Jenny Samaan, PhD**- Director, GHLO, AAMC (Session Host)
- **Robert Crone, MD** – CEO, Strategy Implemented (Session Chair)
- **Deborah Sutherland, PhD** – CEO, Center for Advanced Medical Learning and Simulation
- **Jeffrey Burns, MD, MPH** – Chief, Critical Care Medicine, Boston Children’s Hospital, Associate Prof of Anesthesia, Harvard Medical School
- **Marc Triola, MD, FACP** – Director, Division of Educational Informatics; NYU Langone Medical Center

GHLO Reception – (*Invitation Only*)

Global Perspectives in Professionalism - Speakers from medical schools in diverse settings will present case studies and guidelines on incorporating localization in professionalism curriculum, transforming the curriculum to fit country specific contexts.

Speakers:

- **Ming-Jung Ho, MD, DPhil** – Asst. Dean, Intl. Affairs, National Taiwan University (Session Chair)
- **Brian Hodges, MD, PhD, FRCPC** – Vice-President Education, University Health Network
- **Dr. Patrick Sosnay, MD**, Assistant Professor, Johns Hopkins University School of Medicine
- **Lyuba Konopasek, MD** – Designated Institutional Official (DIO) at New York-Presbyterian Hospital

Going Global: World Voices - This session assembles a global panel from institutions who will describe a variety of innovative collaborations around the world that have advanced faculty training, student learning and biomedical research.

Speakers:

- **Jonas Nordquist, PhD** – Karolinska Institutet, Sweden (Session Chair)
- **Enrique Mendoza, MD, MSC** – Dean Faculty of Medicine, University of Panama
- **Henry Yang** – Dean, Tsu Chi University, Taiwan
- **Pablo González Blasco, MD, PhD** – FACP Scientific Director SOBRAMFA, Brazil
- **Professor O. O. Akinyinka MB, PhD**- University of Ibadan, Nigeria
